

How to change your password

- If you enter an incorrect password you'll receive an ERROR message. Click the Lost your password link in the ERROR message.

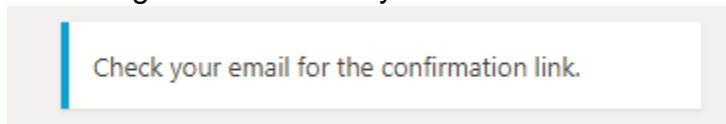

A screenshot of a login form. At the top, a red-bordered box contains an error message: "ERROR: The username or password you entered is incorrect. [Lost your password?](#)". Below this, the form has a label "Username or Email Address" above a text input field containing "FirstnameLastname". Below that is a label "My Password:" above an empty password input field. At the bottom left is a checkbox labeled "Remember Me", and at the bottom right is a blue "Log In" button.

- Enter your user name [FirstnameLastname] or your Newcomers profile email address.

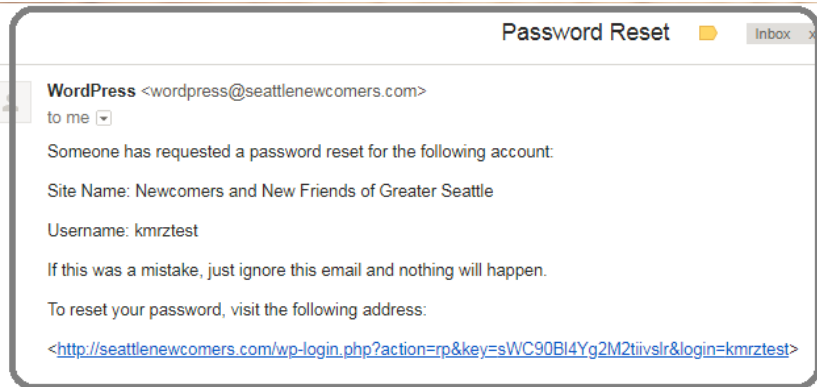

A screenshot of a "Get New Password" form. At the top, a message box says: "Please enter your username or email address. You will receive a link to create a new password via email." Below this is a label "Username or Email Address" above a text input field. To the right of the input field is a blue "Get New Password" button. At the bottom left, there is a "Log in" link. At the bottom, there is a link: "-- Back to Newcomers and New Friends of Greater Seattle".

- A message will be sent to your email with a confirmation link.

A screenshot of an email confirmation message. It consists of a white box with a blue vertical bar on the left side, containing the text: "Check your email for the confirmation link."

- Go to your email. You should have an Email from WordPress with a link to reset your password, similar to the email below.

- You may use the automatically generated password displayed, or enter a new password. To enter a new password, highlight and delete the password provided and enter the password you prefer.
- Then click the Reset Password button.

<p>Enter your new password below.</p> <p>New password</p> <p>Y4mvtlm(#v8*SNJH </p> <p>Strong</p> <p>Hint: The password should be at least twelve characters long. To make it stronger, use upper and lower case letters, numbers, and symbols like ! " ? \$ % ^ &).</p> <p>Reset Password</p>	<p>Click the Log In link</p> <p>Your password has been reset Log in</p> <p>HELPFUL TIP: Click the Remember Me if you don't want to reenter your password the next time you go to seattlenewcomers.com -</p> <p>My Password:</p> <p>.....</p> <p><input checked="" type="checkbox"/> Remember Me</p>
