

FAQ Membership Directory

Q: Can I print a hard copy of the Member Directory from the Newcomers web site?

A: Yes. Every month a list of our members is posted at the top of the Membership Directory page. Two lists are available. The first is sorted by last name and the second list is sorted by Zip code. The lists can be saved to your computer or printed. The page also allows you to search for individual members by First Name or Last Name.

To print a copy of the Member Directory:

1. Navigate to the Directory by selecting Membership Director on the Club Info drop down list (see arrow)
2. Click the link at the top of the page to display the Excel file.

3. At the bottom of the page, select the list desired: Last Name, Zip Code, or Alumni since July 2017.

A: Starting in July 2017 an Alumni list was started and is available in the membership file. (See Q&A above). We do not have a listing prior to July 2017.
